"LONG ISLAND'S FOREMOST SUMMER THEATRE"

Gateway is one of the leading summer theatre organizations in the country. Founded in 1941, it houses a professional Equity company which, with important guest stars presents a full program of Broadway hits, important revivals and new plays during the summer months. It provides summer courses for students and apprentices seeking careers in the theatre and in motion pictures with weekly productions in their own Showcase and Experimental Theatres. It offers classes in acting, dance, ballet, voice, music, art, directing, playwriting, film technique, as well as a teen-age division complete with supervision.

This year, an arrangement has been consummated with COLUMBIA PICTURES CORPORATION under which the motion picture company will also use Bellport as a "talent farm." It plans to give its young contract players stage experience at the Gateway Playhouse; it plans to test and evaluate New York actors and actresses (both young and old) who may have Hollywood potential; it plans further to showcase the talents of new writers, directors and producers in the intimate atmosphere of a summer theatre.

The theatre world has expressed great interest in this unprecedented new experiment. The current season, we sincerely believe, will be a truly exciting one for our audiences, our production personnel — and everyone interested in a vital, progressive theatre.
