## CAN A CADILLAC SURPASS ITS OWN GREAT REPUTATION?

The 1964 Cadillac does just that. In beauty . . . in luxury . . . in performance . . . and in craftsmanship, the new Cadillac creations surpass the famous cars they supersede. Under the hood is a greatly refined engine. It is lighter in weight, quieter and smoother in operation than ever before. And in the way the 1964 Cadillac rides and handles and responds, where, indeed, many believed perfection had been already attained, Cadillac engineers have wrought miracles of improvement.
