## CAN A CADILLAC SURPASS ITS OWN GREAT REPUTATION?

The 1965 Cadillac does just that. In beauty . . . in luxury . . . in performance . . . and in craftsmanship, the new Cadillac creations surpass the famous cars they supersede. Under the hood is a greatly refined engine. It is lighter in weight, quieter and smoother in operation than ever before. And in the way the 1965 Cadillac rides and handles and responds, where, indeed, many believed perfection had been already attained, Cadillac engineers have wrought miracles of improvement.

## Gateway Playhouse

GATEWAY is one of the top ten summer theatres in America and is the oldest professional summer stock theatre on Long Island. Under the same management since it was founded, Gateway is best known as a talent development center and showcase for New York and Hollywood. Hundreds of actors are auditioned each year to become members of Gateway's professional workshop.

A special arrangement with COLUMBIA PICTURES CORPORATION has been in effect since 1961 making Gateway the east coast "talent farm" for the motion picture company. New "discoveries" and players under contract to Columbia can get training and stage exposure at the Playhouse, enabling the film producers to test and evaluate their talent and potential.

Gateway actors can now be seen on Broadway in such shows as HELLO DOLLY, FIDDLER ON THE ROOF, SUBJECT WAS ROSES, and ANY WEDNESDAY, and on many of the popular TV shows. The Playhouse has served as a springboard for the careers of many actors. Part of the fun of theatre-going at Bellport is in observing new talent and trying to spot the future stars of Broadway and Hollywood.
