GATEWAY PLAYHOUSE

LIVE— move up to a LINCOLN *Continental*

The Continental life is a way of living.

It may include a plane of your own. Vacations in Europe. Being the first to discover a new restaurant.

It can mean knowing where to go when the trout season opens. A boat for your family. And a home that is distinctly yours.

The Continental life is enjoyed by the kind of person who thinks for himself.

The kind of person who is admired for what he is over what he has.

It is because Lincoln Continental is so naturally a part of his way of living that we call this the Continental life. Continental reflects his individuality, his own good taste. It's a good car. The very best we have to offer.

BELLPORT GATEWAY PLAYHOUSE

An Invitation

Dear Patrons:

We want to thank you for your support this season. The 1967 Season has been successful in two ways: the two-theatre system has proved to be a workable idea. The plays in the Barn Theatre and the Musicals in the new playhouse were both well attended. Secondly, the variety of productions offered this season proved that there IS an audience for all types of plays. From SHOWBOAT to MARAT/SADE there has been something for everyone.

If you would like to become part of Gateway, you can join us in either of two ways:

1. Become a PATRON. All you have to do is sign below and get your name on our Patron's mailing list if you are not already on it. We will send you announcements of all future attractions.
2. Join the GATEWAY THEATRE GUILD as a participating member. We are going to establish a NON-PROFIT organization with a board of directors. Committees will be established. There will be opportunities for volunteers to work in all aspects of the theatre: publicity, promotion, backstage, performing, ticket sales, ushering, house management, technical (building, lighting), stage properties, costumes, make-up, stage management, theatre party organization, reception, and transportation.

Please fill out the form below and mail it or leave it at the box-office.
