## About Gateway Playhouse

GATEWAY now receives national recognition as one of the leading summer theatre organizations in America. First established in 1949 in a Barn Theatre with performances in the round, GATEWAY in the 60's built a modern air-conditioned theatre with a full size Broadway proscenium stage. The quality of performances have brought agents, producers, critics and directors to GATEWAY PLAYHOUSE THEATRE PRODUCTIONS. It is now considered an excellent talent showcase from New York and Hollywood.

Originally begun as a Pomeran family organization, the theatre is now operated by Stan & Ruth Pomeran Allan and the Allan family. Robin Joy Allan, a member of the Gateway Staff has appeared in numerous productions over the years. Audiences will remember her for her portrayal as Gloria in "Wait Until Dark", Chava in "Fiddler on the Roof"; Josie in "GEORGE M"; Brigitta in "The Sound Of Music" and Anybody's in last years production of "West Side Story". Robin will be dividing her time between Gateway's stage and working with the Gateway's student training center. Paul Allan who has also appeared on the Gateway stage as Young Patrick in "Mame" and Kurt in "Sound of Music" is one of the vital members of the Gateway's Technical Staff.

David Pomeran Sheldon has established his own Motion Picture Companies: Mid-America Pictures and Rising Glen Productions, recently producing "Project Kill", "Sheba Baby" and "Grizzly".

Sally Pomeran Harris, one of Gateway founders, is head of the drama department at The Villa Julie Jr. College in Baltimore and is active in theatre in the city of Baltimore.

Mr. Harry C. Pomeran has retired from full participation in GATEWAY operations, but continues as an active consultant. GATEWAY Management acknowledges the untiring efforts and unselfish support through all the years of Gateway's history of Mrs. Libby Pomeran. Although her physical presence will be missed, her love and devotion to Gateway and its family is ever present.
