## \*GATEWAY HISTORY ..... A Family Dream Realized .....

The summer of '51 marked the beginning of the Gateway Playhouse and it has grown to be one of the leading summer theatres in the Country. Family operated by Mr. Harry Pomeran and his wife Libby and their children - Sally, David and Ruth, up until 1974, it has continued to bring outstanding theatre to Long Island audiences. Its' beginnings were in the original barn theatre and its' early players were such famous stars as Gene Hackman and Robert Duvall.

During the early 1960's the new air-conditioned procenium theatre was built and Gateway then became the Columbia Pictures Talent Farm, training many of their rising new stars. Gateway patrons will remember seeing George Gobel, Robert Cummings, Dick Shawn, Dodie Goodman, Geraldine Page and Hans Conreid, among others during the middle 1960's. In the 1970's, Stan and Ruth Pomeran Allan and their family, Robin Joy and Paul, assumed the management of the Gateway, which continues to offer professional theatre at its best.

The Playhouse offers Musicals and Comedies direct from Broadway and has received critical acclaim for the unique staging and exciting choreography and vocal excellence. Gateway has been a vital training ground for many stars of the future and students come from all parts of the world, for training and theatre participation.

This year, Robin Allan has organized a theatre training and art program for local students between the ages of 13 and 18 who will have an opportunity to study under experienced professional drama and dance teachers. These students perform in their own Showcase Productions. As part of their training program, they are invited to observe rehearsals of the professional company and see each main stage production.

The Allan family, together with the Pomeran family, wish to acknowledge the love, devotion, and untiring efforts of Harry and Libby Pomeran. Their constant unselfish support in behalf of Gateway, has helped to inspire others, and although they are no longer with us, their spiritually impelled purpose continues to be ever present.
