Winter wind through the Aspens... The neon  
drama of a sweltering summer night in the city...  
A lovers smile. These are some of the elements  
that helped to create the singing group RAIN,  
and the music they write and perform.

Although they have been playing together for  
a relatively short time, they have already  
started to develop an impressive list of cred-  
entials ....

Winners of the American Song Festival,  
Los Angeles, California

Best Country Rock Group, Suffolk  
Star Time Annual Award - 1978 ....

making RAIN a group to watch on the  
contemporary music scene!

"We perform mostly our own music, because we feel that no  
matter how well you do other artists music, the best you can  
ever become is number two. We're going for NUMBER ONE!"

## GATEWAY HISTORY ..... A Family Dream Realized .....

The summer of '51 marked the beginning of the Gateway Playhouse and it has grown to be one of the leading summer theatres in the Country. Family operated by Mr. Harry Pomeran and his wife Libby and their children - Sally, David and Ruth, up until 1974, it has continued to bring outstanding theatre to Long Island audiences. Its' beginnings were in the original barn theatre and its' early players were such famous stars as Gene Hackman and Robert Duvall.

During the early 1960's the new air-conditioned proscenium theatre was built and Gateway then became the Columbia Pictures Talent Farm, training many of their rising new stars. Gateway patrons will remember seeing George Gobel, Robert Cummings, Dick Shawn, Dodie Goodman, Geraldine Page and Hans Conreid, among others during the middle 1960's. In the 1970's, Stan and Ruth Pomeran Allan and their family, Robin Joy and Paul, assumed the management of the Gateway, which continues to offer professional theatre at its best.

The Playhouse offers Musicals and Comedies direct from Broadway and has received critical acclaim for the unique staging and exciting choreography and vocal excellence. Gateway has been a vital training ground for many stars of the future and students come from all parts of the world, for training and theatre participation.

This year, Robin Allan has organized a theatre training and art program for local students between the ages of 13 and 18 who will have an opportunity to study under experienced professional drama and dance teachers. These students perform in their own Showcase Productions. As part of their training program, they are invited to observe rehearsals of the professional company and see each main stage production.

The Allan family, together with the Pomeran family, wish to acknowledge the love, devotion, and untiring efforts of Harry and Libby Pomeran. Their constant unselfish support in behalf of Gateway, has helped to inspire others, and although they are no longer with us, their spiritually impelled purpose continues to be ever present.

# HAIR

The first and most successful Rock Musical of all time. Wildly irreverent, total unpredictable, exciting music that has thrilled a generation. This is the original Broadway Stage version that shocked audiences in the 60's. Somewhat mellower now, but with frank language and subject matter not suitable for children.

The Original Un-cut Broadway Version

Hear "Aquarius", "Hair"  
"Good Morning Starshine"  
"Frank Mills"  
"Easy to be Hard"

**Warning:** Some theatre goers may be shocked by HAIR'S frankness and boldness. Its' language is not suitable for children. Parental Guidance suggested.

# Who's Who

**FRANK KRONYAK** .... in his second season at GATEWAY fully makes his total stage presence realized as the Movie Mogul Mack Sennett in our Production of **MACK AND MABEL**. Mr. Kronyak's portrayal demonstrates a fine dramatic flair as well as a strong singing talent. He received critical acclaim for his performance as King Charles in Pippin last season. Mr. Kronyak has also been seen as Jedd in Oklahoma and Eddie in The Rocky Horror Show.

His career has included such roles as Pete in Showboat, El Gallo in The Fantasticks..... and the Captain in Dames at Sea. The role of Mack Sennett gives Mr. Kronyak the opportunity to display his varied talent.

FRANK KRONYAK

**ROBIN JOY ALLAN** .... who portrays the role of Movie Starlette Mabel Normand, has been seen on Gateway's main stage in a wide variety of roles, both Musical and Dramatic. The Stage is probably the one place Robin feels most comfortable on. In her early years, she was featured in Wait Until Dark and The Miracle Worker. More recently, she was seen as Catherine in Pippin, Jenny in Shenandoah, and Janet in the Rocky Horror Show. ROBIN is a multi-talented performer, who has directed and choreographed; written and staged childrens Theatre Shows and Showcase Productions. She has a lovely singing voice and can stretch her theatrical talents from serious Drama to light-hearted Tap Dancing Routines. Her future includes TV Soap Operas and Motion Pictures. As an advisor on Gateway's management team, she helps select future stage productions.
