### BK & THE BAR is more than a restaurant

*The following excerpts are taken from: The Long Island Advance. March 31, 1983 by JoAnn McGrath.*

If you applauded the salvation of the London Bridge - despite the unsettling vision of its new digs being in the Arizona desert - you'll be enchanted to know that Skitch Henderson's popular Manhattan watering hole, Daly's Dandelion, is alive and well - if not intact - and living in Bellport.

The "porch" from that famous and recently demolished Third Avenue meeting place is now part of the BK on Main Street.

It has now expanded from a soda fountain atmosphere (albiet pizzazzier than most soda dispensing establishments), into a full-fledged and elegant dining room with a fully stocked bar that dominates the main dining area.

Its three-sided shape - refashioned by Bob and Steve from the original counter - is bound to please many seeking social diversion.

The BK will still serve up the very special homemade dishes for which it has become known - but more of them. Helping to keep the kitchen producing its specialties will be a super cookerwoman, Pam Raymond, who has graced the kitchens of the Old Inlet Inn in Bellport and the Casino Beach Inn on Fire Island.

The BK is open for breakfast on weekends only. Lunch and dinner are served seven days a week and, after 11 p.m., there is a supper menu available.

Reservations are not accepted.

Hear it.

See it.

Enjoy it.

All year long, Long Island is teeming with cultural events. You can enjoy the soaring work of great ballet masters. Listen to the great operatic or symphonic masterworks. Or watch the magic of fine theatre.

Pick a play. Choose a chamber orchestra. Browse at a gallery. Muse at

a museum. Opt for an opening night. Or grab a grand finale.

For exciting dance, dinner theatre, casual concert or formal fare, you'll find it on Long Island.

Hear it. See it. Enjoy it.  
It's all right in your own backyard.
