BK & THE BAR is more than a restaurant

The following excerpts are taken from: *The Long Island Advance* by JoAnn McGrath.

If you applauded the salvation of the London Bridge - despite the unsettling vision of its new digs being in the Arizona desert - you'll be enchanted to know that Skitch Henderson's popular Manhattan watering hole, Daly's Dandelion, is alive and well - if not intact - and living in Bellport.

The "porch" from that famous and recently demolished Third Avenue

meeting place is now part of the BK on Main Street.

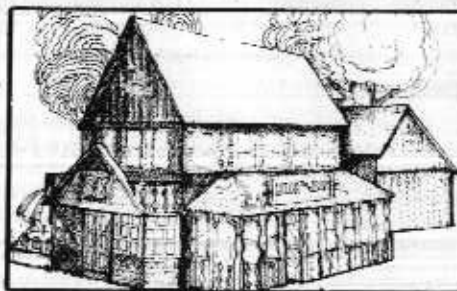

It has now expanded from a soda fountain atmosphere (albiet pizzazzier than most soda dispensing establishments), into a full-fledged and elegant dining room with a fully stocked bar that dominates the main dining area.

Its three-sided shape - refashioned by Bob and Steve from the original counter - is bound to please many seeking social diversion.

The BK will still serve up the very special homemade dishes for which it has become known - but more of them.

The BK is open for breakfast on weekends only. Lunch and dinner are served seven days a week and, after 11 p.m., there is a supper menu available.

Reservations are not accepted.

WOMAN OF THE YEAR

Based on the classic Spencer Tracy - Katherine Hepburn
comedy of the same name, this is the story of one of the
girls who is "one of the boys." This newest release from
Broadway is slick and shiny and has all the right energy in
all the right places. With a classy, sexy and very self-
assured leading lady and a whole chorus tapping behind
her how can you miss? John Kander and Fred Ebb, the
authors of CABARET, have written a bright and witty
score that dazzled all the critics and marks the show as
the definitive flashy and brassy adult musical comedy.
