BK & THE BAR is more than a restaurant

The following excerpts are taken from: The Long Island Advance by JoAnn McGrath.

If you applauded the salvation of the London Bridge - despite the unsettling vision of its new digs being in the Arizona desert - you'll be enchanted to know that Skitch Henderson's popular Manhattan watering hole, Daly's Dandelion, is alive and well - if not intact - and living in Bellport.

The "porch" from that famous and recently demolished Third Avenue

meeting place is now part of the BK on Main Street.

It has now expanded from a soda fountain atmosphere (albiet pizzazzier than most soda dispensing establishments), into a full-fledged and elegant dining room with a fully stocked bar that dominates the main dining area.

Its three-sided shape - refashioned by Bob and Steve from the original counter - is bound to please many seeking social diversion.

The BK will still serve up the very special homemade dishes for which it has become known - but more of them.

The BK is open for breakfast on weekends only. Lunch and dinner are served seven days a week and, after 11 p.m., there is a supper menu available.

Reservations are not accepted.
