The Legacy of the Past... The Promise of the Future

THE FUTURE

PERFORMING ARTS CENTER OF SUFFOLK COUNTY

The Performing Arts must be a medium that sustains through time for future generations. The tolerance, awareness and compassion for others and the world at large, sparked by watching or participating in live theater, is essential to humanity. The art of the stage, the human art, is one that has been provided by the Gateway family and sponsored by you, the theater arts patron, since 1950. Gateway Playhouse is the oldest professional theater on Long Island and one of the only surviving summer theaters in the nation. This year, to continue that theatrical tradition and to ensure production quality can soar to new heights, we are proud to announce that the Gateway Playhouse 2011 Season, and future seasons, will be brought to you by the newly formed Performing Arts Center of Suffolk County. The legacy of professional theater, and theater arts training for young actors that has persevered for 62 years, will now have an opportunity to grow and reach more young theater artists and theater art appreciators through the assistance of grants and public funding. A performing arts arena can provide a focal point for a community's culture base. The Performing Arts for young people can provide them a safe haven with which to express their individuality and gain confidence and creative independence that they can take with them through life. The benefits of this wonderful art form can be far reaching. We are looking ahead with much enthusiasm and welcome you to join us as we embark on this new passage.

'S Wonderful

THE NEW GERSHWIN MUSICAL

'S Wonderful: The New Gershwin musical, is an all singing, all dancing musical revue, featuring over 42 songs by the beloved Gershwin Brothers, including, "Someone to Watch Over Me," "I've Got Rhythm," "Embraceable You," "Let's Call the Whole Thing Off," "Our Love is Here to Stay" and more. The melodies flow through five mini-musicals inspired by stories of young love, beginning in 1920s New York City, moving to Paris in the 1930s, Hollywood in the '40s, New Orleans in the 1950s and ending in the present day. *'S Wonderful* takes you on a nostalgic ride that has been called "a gem for Gershwin lovers, young and old."

The Musical

IN BELLPORT

“Warner Huntington III:
You got into Harvard Law?
Elle: What? Like, it’s hard?”

**The Broadway sensation,
based on the hilarious MGM
movie and nominated for
7 Tony awards,** is a new musical

comedy that one reviewer praised as, “ridiculously enjoyable from start to finish.” This spirited musical tells the charming story of Elle Woods, a carefree California girl who also happens to have a 4.0. To win back the man of her dreams, she enrolls at Harvard Law School and she discovers along the way that she may have more to offer the world than just her looks and an empty ring finger. Get set for a fabulous time at the theater, full of comedy and pep, that one *NY Times* reviewer deemed a “high-energy hymn to the glories of girlishness... that insists that a girl can be a powder puff and a power broker at the same time!”

Music and Lyrics by Laurence O’Keefe and Nell Benjamin
Book by Heather Hach
Based on the novel by Amanda Brown

PATCHOGUE
THEATRE

A new musical *lovingly* ripped off from the motion picture
MONTY PYTHON and the Holy Grail

Gateway has snagged the Long Island professional premier of the uproarious hit, *Spamalot*.

If you’re a Monty Python fan, get ready. If you have no idea who or what the Knights Who Say Ni are, this musical is still for you. *Spamalot*, which is based on from the 1975 film *Monty Python and the Holy Grail*, was an instant success on Broadway, winning three Tony awards, including Best Musical. Dueling shenanigans, killer rabbits, tap dancing knights and their ladies fair, spoof and poke fun at everything, from chivalry to the musical theater form itself. As one reviewer put it, “One could say... brilliant.”

**“And now, Mr. DeMille,
I am ready for my close-up!”**

Winner of 7 Tony Awards, *Sunset Boulevard*, is a haunting musical depicting the glamour of 1949 Hollywood, when a silent screen legend, living alone in her decaying mansion, entertains a young screenwriter bringing the promise of renewed stardom. With such stunning songs as “With One Look,” “As If We Never Said Goodbye” and “Perfect Year”, Andrew Lloyd Webber’s romantic tragedy is a mesmerizing tale of revenge. “This time I’m staying, I’m staying for good; I’ll be back where I was born to be. With one look, I’ll be me!”

“Attend the tale of Sweeney Todd. His Skin was Pale and his eye was odd. He shaved the faces of Gentlemen, who never thereafter were heard of again . . . did Sweeney . . . the Demon Barber of Fleet Street.” This Tony award winning musical thriller is honing in on Bellport with a remarkable, suspenseful and pulsating live production. The renowned score of beautiful melodies and haunting lyrics evoke a story with romance, shivers, excitement and even humor; audiences find themselves laughing hysterically one moment and gasping in surprise the next. Stephen Sondheim’s masterpiece is sophisticated, macabre, visceral and uncompromising – a musical that is on most every musical theater aficionado’s list as one of the best ever written.
