**C.J. BAIR** began dancing professionally in various theater productions including Rick Robinson's *Evolutions of Dance*, *Return to Christmas*, and *Latin Fusion*. Shortly after he joined Louis Van Amstel's touring production of *Invitation to Dance*. Since 2009 he has been touring with *Ballroom with a Twist*. C.J. began dancing at age 16 at Center Stage Performing Arts Studios in Orem, Utah. He specializes in Latin ballroom and has competed in numerous competitions all over the world.

**DMITRY CHAPLIN** is recognized as one of the most distinguished Ballroom dancers and choreographers in the United States and around the World. A star professional on *Dancing With The Stars*, an EMMY nominated choreographer for his work on *So You Think You Can Dance*, and is one of America's favorite dancers. Dmitry's ballroom dancing career began at the age of 12 in his hometown of Rostov-on-Don in Russia. He moved to the United States in 1999 and after studying both in America and the United Kingdom, he began representing the United States at many world famous ballroom competitions. Dmitry won many of titles, becoming a National Finalist in 2006, and ultimately a semi-finalist and finalist in prestigious international global competitions. In 2006, Dmitry's dance career took a different course - he won a place on the FOX hit TV show *So You Think You Can Dance* and became one of America's Top 10 dancers. He soon established himself as a favorite in America and all around the world. This led to offers and invitations to choreograph and perform not only in the USA, but also in many countries generating even more critical acclaim. After a series of guest performances on *American Idol*, Dmitry was invited as a special guest to dance with Gloria Estefan on the phenomenal and EMMY winning episode "Idol Gives Back." Numerous TV offers followed, leading to special guest appearances on *The Ellen DeGeneres Show*, *Jimmy Kimmel Live*, *Good Morning America*, *Live with Regis and Kelly*, *Larry King Live*, *KTLA News*, *The View* and many more. 2009 was a milestone year for Dmitry when he choreographed an Argentinean Tango on *So You Think You Can Dance*. This earned him an EMMY nomination for best choreography. That same year, Dmitry also became Runner Up Champion in *Dancing With The Stars* with his partner Mya, receiving a record breaking number of votes making him one of the most popular dancers on the show. Dmitry headlined the Vegas spectacular show "Dancing with The

Stars - Live!" and during this time made frequent guest appearances on TV and choreographing on *SYTYCD* and *Dancing With The Stars*. He was invited to perform and guest-teach at many prestigious conventions and industrials, which he still does today when he has time. He was invited to headline the new live tour of *Ballroom With A Twist* and makes frequent appearances with them all over the United States. Last year, 2013, proved to be the next exciting stage in Dmitry's career. He was not only invited to choreograph an entire episode of the FOX hit show *Bones* but after seeing him work, the producers offered him the Guest Star roll of Kendrick Mantorov, the suspect, in the premier episode of the Season. It was the highest rating show of "Bones" that year. Dmitry has been invited back to choreograph for the forthcoming seasons of *Dancing With The Stars* and *So You Think You Can Dance*. At the start 2014 Dmitry Guest Starred on the hit ABC Family show *Baby Daddy* where he played the role of Vladimir the Ballroom expert and once again choreographed the entire episode, to be aired later this year. Balancing a career that combines acting, dancing, choreographing, teaching, personal appearances on TV, at events and conventions across America, Dmitry is in constant demand all around the world. His high profile TV appearances have made him a highly sought after personality and has become an inspiration and motivator to many young people and future stars who, through his example, are given hope that their dreams can become real. Follow Dmitry on Twitter @dmitry\_ch [http://twitter.com/%21dmitry\\_ch](http://twitter.com/%21dmitry_ch)

**GINA GLOCKSEN** is best known as the ninth place finalist of the sixth season of the mega-hit television show *American Idol*. Although Gina was often referred to as the 'rocker chick', her musical influences and abilities range far beyond the realm of rock. Gina's original music infuses the passion and attitude

Since her time on *American Idol*, Gina has toured North America on the *American Idol's Live Tour* and continues to perform around the country showcasing her original music. Gina recently rocked the stadiums by opening for both Bret Michaels and the band, Heart. While on the show, Gina's genuine candor and charming wit made

**A RAT PACK NEW YEAR**

sie started dancing when she was 9 years old in an after school program. She won her first national title when she was just 11 years old. In 2005, she was asked to be one of the four couples in the country to be on Team USA, in the most prestigious dance competition in the world, held in Blackpool, England. She represented USA in Latin Style, where Team USA took 3rd place behind Ukraine and Russia. That same year she had the opportunity to be one of the two couples to represent the United States at the Worlds for the Standard style of ballroom held in Lavita. Chelsie's many achievements include: U.S. Representative to the Worlds – 2005; U.S. National Standard Finalist – 2005; International Latin Finalist – 2006; and 10 Dance National Youth Champion – 2005. There is a link to her collection, additional photos and media information on her website [www.chelsieheightowerdance.com](http://www.chelsieheightowerdance.com).

**PATRICIA KANIOWSKI** joined the cast of *Burn the Floor* after moving from Australia to the United States at 19. She began dancing at eight. The next year, she entered her first dance competition, which she won, and she has been winning titles (both amateur and professional) ever since. Now, she is focused on Latin ballroom and is currently ranked 10th in the U.S. She is internationally known for teaching and lecturing and continues to train, compete and perform worldwide.

**ALLA KOCHERGA** has been seen in a wide range of entertainment programs, from ABC's *Dancing with the Stars* to the touring show *Ballroom with a Twist*. Originally from Ukraine, Alla moved to Los Angeles at the age of five where she began pursuing dance. Beginning with ballet, then moving onto ballroom, she has managed to reach the top 24 in the IDSF World Open Ballroom Competition. She recently won the first segment of Ballroom Battle on the hit show *Dancing with the Stars*. Alla strives to make an impact on every audience she encounters and lives each day seeking to learn and improve her performance.

**LEGACY** has been chosen to perform in countless feature films such as *Hannah Montana the Movie*, *Dance Flick*, and *Step Up 3D*. He competed on *So You Think You Can Dance* (Season 6) where he placed fourth. He has also had the chance to work beside artists like Rihanna, Toni Braxton, and The Black Eyed Peas, and was a featured dancer on both of Gwen Stefani's solo world tours. While Legacy still continues to enjoy performing, his focus has now turned to choreographing and directing.

**GILLES MARINI** After a successful modeling career in Paris, Gilles moved to the U.S. and found himself in the international spotlight after appearing in what some have called the second greatest shower scene in film history in 2008's *Sex and the City: The Movie*. Capitalizing on his SATC popularity, ABC

cast Gilles in the eighth season of *Dancing with the Stars* where he quickly became a fan favorite, finishing second by less than one percent of the votes. He was also invited to participate in the first ever All-Stars edition of *DWTS* after viewers voted Marini the "Best All-Time *DWTS* Contestant." He was introduced as a recurring character on ABC's hit family drama *Brothers & Sisters* in Fall 2009. He played Luc Laurent, the French love interest of Rachel Griffiths' character Sarah Walker. Originally Marini was supposed to appear in a five-episode arc, but he was soon promoted to a series regular. The series was cancelled in May 2011, but remains a favorite with audiences worldwide, airing in syndicated reruns in more than 50 countries. In the Fall of 2011 Gilles was cast in his current role as Angelo Sorrento in ABC Family's critically acclaimed family drama, *Switched at Birth*. Sorrento is the biological father of Bay Kennish (Vanessa Marano), absent father of Daphne Vasquez (Katie LeClerc), and ex-boyfriend of Regina Vasquez (Constance Marie). Marini was originally cast on a recurring basis, but on September 18, 2012, it was announced he would become a series regular. And he is now appearing on *Devious Maid* as Sebastian. Television audiences have also seen Marini guest-starring in hit primetime series such as *Castle*, *Modern Family*, and *Hot in Cleveland*. Other appearances include *Royal Pains*, *Are You There, Cheslea?*, *Nip/Tuck*, *Ugly Betty*, *Dirty Sexy Money*, *Criminal Minds*, and *Windfall* as well as daytime dramas *The Bold and the Beautiful* and *Passions*. Marini was named one of *People Magazine's* top ten "Sexiest Men Alive" for 2009. His portrait is featured in celebrity photographer John Russo's book, "About Face", published by Pixie Press Worldwide.

Jenya's degree and ongoing study of psychology allows her to create and individual approach to each student and help them to reach their full potential. In 2014 Jenya and her partner won US National RS Professional Latin Championship as well as US Open to the World RS Professional Latin Championship and became finalists in US National Professional Latin Championship. Jenya's students also achieved great results and became National Champions as well. Jenya assisted choreography for *SYTYCD* Season 11 and MTV show "Faking it".

**VON SMITH** was most recently seen on Nigel Lythgoe's new TV show *Opening Act*, where he was chosen by Lady Gaga to be her opening act on her tour in Australia. First introduced to the world when his version of "And I Am Telling You (I'm Not Going)" from *Dreamgirls* became a sensation on YouTube, Von has garnered a legion of fans and has performed on some of the most celebrated stages in the U.S. including ABC's *The View* (by personal invitation of Rosie O'Donnell), BET's *106th and Park*, *MTV News*, VH1's *Best Week Ever*, E! Entertainment's *The Soup*, TV Azteca's *La Academia* and perhaps the biggest stage: *American Idol* Season 8 as one of the top 17 finalists. When he's not rocking out on national stages across the country with fellow idol buddies, or performing in front of symphonies conducted by the likes of the late Marvin Hamlisch, Von has been seen around the Los Angeles area in several Upright Cabaret productions, as well as leading roles in an LA-based series of shows called *For The Record*, paying tribute to the soundtrack songs and iconic moments from films by noted directors such as Quentin Tarantino, John Hughes, Baz Luhrmann, Paul Thomas Anderson, and most recently, Martin Scorsese. He is currently working on his first EP.

**RANDI LYNN STRONG** is best known for being a Top 5 Female Dancer on Season 5 of *So You Think You Can Dance*. Dancing since the age of three, Randi trained for over 15 years at 'Dance Club'. In her many years of competing, she earned numerous titles, including National Outstanding Dancer for the New York City Dance Alliance. Randi has performed as a member of the ensemble in the highly acclaimed *Radio City Christmas Spectacular* and the 2002 Winter Olympics Closing Ceremonies with "Earth Wind and Fire." Randi also

**ANNA TREBUNSKAYA** is best known as a top professional dancer for eight seasons of *Dancing with the Stars* and partnered with football star Jerry Rice, model Albert Reed, actor Steve Guttenberg, UFC fighter Chuck Liddell, U.S. Olympic figure skating gold medalist Evan Lysacek, football quarterback Kurt

Warner, boxing legend Sugar Ray Leonard, and TV star Carson Kressley. She began her dancing life at the age of six in her native Russia. Her parents owned a dance studio, so it was only natural that she took to dancing at an early age. At age seven, Anna entered her first dance competition, which she won, and she has been winning titles (both amateur and professional) ever since. She moved to the United States (with her parents) at age 17. Her parents were dancers and her mother, Irina, still makes her costumes today. They run You Can Dance ballroom studio in Hermosa Beach, California. Anna's first U.S. title was the 1997 Amateur Standard Youth Championship. Anna and Jonathan Roberts then began competing in professional ballroom dancing competitions from 2001 to 2006 and achieved many top placements in competitions around the world. Anna was

school in Orem, Utah, where he began dancing at the age of 11. Growing up as an athlete and artist, he decided to pursue his true passion, dance. He plans to further his career in the entertainment industry by Directing and Choreographing as well as continuing to perform.

**MICHAEL WHITE** (*Production Manager*) began a lifelong love affair with the American Theatre while still in High School. As a young actor, director, designer and technician, he won numerous awards in statewide theatre competitions and earned a scholarship to the prestigious University of Texas Department of Drama. In addition to his work on-stage, he designed scenery, lighting, sound and special effects, and wrote and directed his first original play while still in High School. By the time he graduated, he was already a veteran of nine Equity productions on the professional stage. After a distinguished collegiate career, Michael returned to the professional theatre wherein he served as an Actor, Director, Designer and Stage Manager in professional theatres from coast to coast. His numerous technical credits include Stage Managing *Bermuda Avenue Triangle* starring Renee Taylor, Joseph Bologna and Lainie Kazan, and the extended National Tour of *The Odd Couple* (Female Version) starring Barbara Eden, a show in which he also served as Assistant Director and Lighting Supervisor. As a director, he most recently helmed the National Touring Production of *Say Goodnight, Gracie*, and the World Premiere Production of playwright Lizzie Maxwell's *Confessions of a*

*Nice Jewish Girl*. As an actor, Michael's credits range from Shakespeare, Williams and Albee to light comedies, including the box office record-setting tour of *Hanky Panky*. His performances have also been seen in numerous films and television shows. Of all the roles, all the assignments and all the hats he has worn in all the many shows, his all-time favorite remains the role of husband to his beloved wife, Jennifer and father to his cherished daughter, Michelle. And today, more than thirty-five years after it all began, that love affair with the American Theatre is still going strong.

**CHRISTOPHER POWICH** (*Associate Producer*) conceived and directed both the Off-Broadway production of Ethel Merman's *Broadway* (next at the El Portal) as well as the productions at the John Houseman Theater and the Pasadena Playhouse. Powich also wrote and directed Ms. McKenzie's nationally acclaimed Symphony Pops tribute to Ethel Merman. He directed McKenzie and Carole Shelley in the reenactment of Ethel Merman and Mary Martin's famous 1955 television medley at Rainbow and Stars Nightclub in New York. Powich directed the world premiere of the comedy *Snap Shots* by Ralph Frederick at the O'Neill Theater in Waterford, CT, as well as the Boston Company. He recently was Tour Director for the *American Idol* show *American Stars in Concert*. He created, directed and performed in

**SHE WAS ALWAYS THERE FOR EVERYONE ELSE.** But when cancer was discovered on Angela Sarno's left kidney, Stony Brook's cancer experts were there for her. Working as a collaborative team, they formed a plan to save her life. Monitored closely by her team of doctors, Angela had her kidney removed and had extremely precise radiosurgery. Stony Brook's multidisciplinary approach to cancer care brought more experts to Angela's side, and more treatment options for the best possible outcome. Today, Angela is back home, cancer-free and doing what she does best — taking care of those who need her most.
